By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy, will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand or mail with Odyssey Trust to the attention of the Proxy Department at Suite 702, 67 Yonge Street, Toronto, Ontario, M5E 1J8 or by fax to Odyssey Trust, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international), or via email to proxy@odysseytrust.com at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an “**Ordinary Resolution**”) unless the motion requires a special resolution (a “**Special Resolution**”), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also “insiders”, as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the “**Registered Shareholders**”) may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Odyssey Trust using one of the following methods:

- (a) by hand or mail to the attention of the Proxy Department at Suite 702, 67 Yonge Street, Toronto, Ontario, M5E 1J8; or
- (b) by fax to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international); or

(c) by email to proxy@odysseytrust.com; or

(d) by using the internet, <https://login.odysseytrust.com/pxlogin> and click on VOTE. You will be required to enter the CONTROL NUMBER printed with your address to the right on your proxy form. If you vote by Internet, do not mail this proxy.

Returning your Proxy Form

To be effective, we must receive your completed proxy form or voting instruction no later than 10:00 a.m. (Pacific time) on **Wednesday, December 24, 2025**.

If the Meeting is postponed or adjourned, we must receive your completed form of proxy by 5:00 p.m. (Pacific time), two full business days before any adjourned or postponed Meeting at which the proxy is to be used. Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion and he is under no obligation to accept or reject a late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depositary for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners).

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting*

Issuer (“**NI 54-101**”) issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs. This year, the Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a Voting Instruction Form (“**VIF**”) from our Transfer Agent, Odyssey Trust. These VIFs are to be completed and returned to Odyssey Trust in the envelope provided or by facsimile. In addition, Odyssey Trust provides internet voting as described on the VIF itself which contains complete instructions. Odyssey Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a voting instruction form (“**VIF**”) from the Company’s transfer agent, Odyssey Trust. These VIFs are to be completed and returned to Odyssey Trust in the envelope provided or by facsimile. In addition, Odyssey Trust provides internet voting as described on the VIF itself which contains complete instructions. Odyssey Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities on your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to client, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO. The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of British Columbia, Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. Exercise of Compensation Securities by Directors and NEOs

No NEO or Director of the Company exercised compensation securities in period of incorporation on January 28, 2021 to December 31, 2021 and financial years ended December 31, 2022, 2023 and 2024.

Stock Option Plans and Other Compensation Plans

The Company has adopted a 10% rolling stock option plan (the “**Stock Option Plan**”). The purpose of the Stock Option Plan is to advance the interests of the Company, through the grant of options (each, an “**Option**”), by: (a) providing an incentive mechanism to foster the interests of the participants in the success of the Company; (b) encouraging participants to remain with the Company; and (c) attracting new directors, officers, employees and consultants. Under the Stock Option Plan, the maximum number of common shares reserved for issuance is equal to 10% of the common shares outstanding from time to time (the “**10% Maximum**”). The 10% Maximum is an “evergreen” provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of common shares equivalent to the number of Options so exercised, terminated, cancelled or expired would automatically become reserved for issuance in respect of future grant of Options.

The Company also maintains a fixed restricted share unit plan (“**RSU Plan**”) that allows for the granting of restricted share units (each, an “**RSU**” or “**Restricted Share Unit**”) to eligible officers, employees, directors and consultants. The maximum number of shares issuable under the RSU Plan at any one time, combined with the grant of options under the Company’s Stock Option Plan, is 250,000. The maximum RSU term is 10 years and each RSU represents the right to receive, upon vesting, one share of the Company.

As at the date of this Circular, there are 1,710,000 Options and NIL RSUs outstanding under the Option Plan and RSU Plan, of which 670,000 Options and NIL RSUs are held by the NEOs and Directors of the Company.

Shareholders are being asked to approve a new omnibus equity incentive plan (the “**Omnibus Equity Incentive Plan**” or “**Omnibus Plan**”) at the Meeting, which, if approved, would replace the Stock Option Plan and the RSU Plan (collectively, the “**Old Plans**”) and no further awards will be granted under the Old Plans. Upon the Omnibus Plan becoming effective, outstanding Options under the Stock Option Plan will be continued as outstanding awards subject to the terms of the new Omnibus Plan.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or directors of the Company, or that provide for payments to a NEO or director at, following or in connection with any termination (whether voluntary or constructive), resignation, retirement, severance, a change in control in the Company or a change in the NEO or director's responsibilities.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

Approval of New Omnibus Equity Incentive Plan

At the Meeting, Shareholders will be asked to consider and, if thought appropriate, to pass an ordinary resolution, with or without variation, approving the Omnibus Plan, a copy of which has been attached hereto as Schedule "C". All capitalized terms used in this section and not defined in this Circular, have the meanings ascribed to them in the Omnibus Plan.

As at the date of this Circular, the Company has a Stock Option Plan and an RSU Plan in place, with 1,710,000 stock options granted and outstanding under the Stock Option Plan and NIL restricted share units granted and outstanding under the RSU Plan as of the date of this Circular. The Company wishes to adopt the Omnibus Plan to bring the Company's existing Stock Option Plan and RSU Plan into compliance with the policies of the CSE and to provide the Company with additional flexibility in awarding equity compensation. The Omnibus Plan provides flexibility to the Company to grant equity-based compensation awards in the form of Options, RSUs and deferred share units ("**DSUs**" or "**Deferred Share Units**"), as described in further detail below.

Provided that the Omnibus Plan is approved by the Shareholders at the Meeting, all future grants of equity-based compensation awards will be made pursuant to, or as otherwise permitted by, the Omnibus Plan, and no further equity-based compensation awards will be made pursuant to the Old Plans. Upon the Omnibus Plan becoming effective, outstanding Options under the Stock Option Plan will be continued as outstanding awards subject to the terms of the new Omnibus Plan.

Summary of the Omnibus Equity Incentive Plan

Purpose

The purpose of the Omnibus Plan is: (a) to increase the interest in the Company's welfare of those employees, executive officers, directors and consultants (i.e. Eligible Participants under the Omnibus Plan), who share responsibility for the management, growth and protection of the business of the Company or a subsidiary of the Company; (b) to provide an incentive to such Eligible Participants to continue their services for the Company or a subsidiary and to encourage such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company or a subsidiary are necessary or essential to its success, image, reputation or activities; (c) to reward Eligible Participants for their performance of services while working for the Company or a subsidiary; and (d) to provide a means through which the Company or a subsidiary may recruit and retain key talent for the Company.

Types of Awards

The Omnibus Plan provides for the grant of the following types of Awards: Options, RSUs and DSUs (collectively, "**Awards**"). All Awards are to be evidenced by an agreement or other instrument or document (a "**Grant Agreement**").

Plan Administration

The Omnibus Plan is administered by the Board, which may delegate its authority to a committee of the Board. Subject to the terms of the Omnibus Plan, applicable law and the rules of the CSE or such other stock exchange on which the Company's shares may be listed from time to time, the Board will have the power and authority to: (a) designate the Eligible Participants who will receive Awards (an Eligible Participant who receives an Award, a "**Participant**"); (b) designate the types and amounts of Awards to be granted to each Participant; (c) designate the number of common shares to be covered by each Award; (d) determine the terms and conditions of any Award, including any vesting conditions or conditions based on performance of the Company or of an individual ("**Performance Criteria**"); (d) to interpret and administer the Omnibus Plan and any instrument or agreement relating to it, or Award made under it; and (e) make such amendments to the Omnibus Plan and Awards made under the Omnibus Plan as are permitted by such plan and the rules of the applicable stock exchange.

Shares Available for Awards

Subject to adjustments as provided for under the Omnibus Plan, the maximum number of common shares available for issuance at any time pursuant to outstanding Awards under or governed by the Omnibus Plan shall be equal to 10% of the issued and outstanding common shares as at the date of any grant.

The Omnibus Plan would be an "evergreen" plan as common shares covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Omnibus Plan and the number of Awards that may be granted under the Omnibus Plan increases if the total number of issued and outstanding common shares of the Company increases.

Award Limitations

The Omnibus Plan provides the follow limitations on grants:

- a) the maximum number of common shares issuable pursuant to the Omnibus Plan and any other Share Compensation Arrangement shall not exceed 10% of the issued and outstanding common shares as at the date of any Award grant;
- b) the maximum number common shares issuable to Eligible Participants who are Insiders (as a group), at any time, together with common shares reserved under any other Share Compensation Arrangement, shall not exceed 10% of the issued and outstanding common shares at any point in time;

- c) the maximum number of common shares issuable to Eligible Participants who are Insiders (as a group) within any one year period, together with common shares reserved under any other Share Compensation Arrangement, shall not exceed 10% of the issued and outstanding common shares at any point in time;
- d) subject to the policies of the CSE, any common shares issued or Award granted pursuant to the Omnibus Plan, or securities issued under any other Share Compensation Arrangement prior to a Participant becoming an Insider, shall be included for the purposes of the limits set out in Section (b) and (c) above;
- e) options may be granted to persons undertaking Investor Relations Activities provided that the total number of listed securities issuable on exercise of Options provided as compensation to all persons providing Investor Relations Activities cannot exceed 2% of the outstanding number of listed securities in any 12-month period; and
- f) the maximum number of common shares issuable to any one Participant under Awards in a 12-month period shall not exceed 5% of the issued and outstanding common shares (unless requisite disinterested shareholder approval has been obtained to exceed this limit).

Eligible Participants

Any employee, executive officer, director, or Consultant of the Company or any of its subsidiaries is an “Eligible Participant” and considered eligible to be selected to receive an Award under the Omnibus Plan, provided that only directors of the Company are eligible to receive Deferred Share Units. Eligibility for the grant of Awards and actual participation in the Omnibus Plan is determined by the Board.

Description of Awards

Options

An Option is an option granted by the Company to a Participant entitling such Participant to acquire a designated number of common shares from treasury at an exercise price set at the time of grant (the “**Option Price**”). Options are exercisable, subject to vesting criteria established by the Board at the time of grant, over a period as established by the Board from time to time which shall not exceed 10 years from the date of grant. If the expiration date for an Option falls within a black-out period, the expiration date will be extended to the date which is ten business days after the end of the black-out period, which may be after the date that is 10 years from the date of grant. The price for shares that are the subject of any Option shall be determined and approved by the Board when such Option is granted, but shall not be less than the greater of \$0.05 or the Market Price of such shares at the time of the grant. At the time of grant of an Option, the Board may establish vesting conditions in respect of each Option grant, which may include performance criteria related to corporate or individual performance.

Restricted Share Units

A Restricted Share Unit is an Award in the nature of a bonus for services rendered that, upon settlement, entitles the recipient to receive common shares as determined by the Board. The Board may establish conditions and vesting provisions, including Performance Criteria, which need not be identical for all RSUs. The RSU Vesting Determination Date must fall after the end of the Performance Period, if any, but no later than the 15th of December of the calendar year which commences three years after the calendar year in which the performance of services for which such RSU is granted, occurred. Notwithstanding the foregoing, for any U.S. Participant, the RSU Vesting Determination Date shall occur no later than the 15th of March of the calendar year following the end of the Performance Period.

Deferred Share Units

A Deferred Share Unit is an Award attributable to a person’s duties as a director that, upon settlement, entitles the recipient to receive such number of common shares as determined by the Board, and is issuable after the person ceases to be a director of the Company. In addition, the Board may award such additional Deferred Share

Units to a director as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services such Participant renders to the Company.

Effect of Termination on Awards

All unvested Restricted Share Units are immediately forfeited on the termination date.
- c) Voluntary Resignation: All of the Participant's unvested Awards are immediately forfeited on the termination date, and any vested Options remain exercisable until the earlier of, unless otherwise determined by the Board, in its sole discretion, 30 days following the termination date and the expiry date of the Option.
- d) Permanent Disability or Retirement: Upon a Participant ceasing to be an Eligible Participant by reason of retirement or permanent disability, (i) a pro rata portion of any unvested Option shall vest immediately, calculated by multiplying the total number of shares subject to the Option by a fraction, the numerator of which is the number of days of service completed by the Participant from the date of grant to their termination date and the denominator of which is the total number of days in the applicable vesting period, less the number of Options that have previously vested, and (ii) any vested Options remain exercisable until the earlier of 180 days following the vesting date of the Option and the expiry date of the Option. All unvested Restricted Share Units shall also vest based on the pro rata formula noted above.
- e) Death: All unvested Options shall immediately vest and any vested Options remain exercisable by the Participant's beneficiary until the earlier of 12 months following the termination date and the expiry date of the Option. Unvested Restricted Share Units also vest immediately upon the death of a Participant.
- f) Termination in Connection with a Change of Control: If, after a Change of Control (as described below), and within 12 months following the Change of Control, (i) a Participant who was also an officer or employee of, or a consultant to, the Company prior to the Change of Control, has their position, employment or consulting agreement terminated, or the Participant is constructively dismissed, or (ii) a director ceases to act in such capacity, then all of the Participant's unvested Restricted Share Units immediately vest and shall be paid out, and all unvested Options shall vest and become exercisable. Any Options that become exercisable in these circumstances shall remain exercisable until the earlier of 90 days following the termination date and the expiry date of the Option.

Change of Control

In the event of a Change of Control (as defined in the Omnibus Plan) the Board will have the power, in its sole discretion, to modify the terms of the Omnibus Plan and/or the Awards to assist the Participants to tender into a take-over bid or participate in any other transaction leading to a Change of Control.

Assignment

No Award or other benefit payable under the Omnibus Plan shall, except as otherwise provided by law (including the policies of the CSE, as applicable) or specifically approved by the Board, be transferred, sold, assigned, pledged, or otherwise disposed in any manner other than by will or the law of descent.

In addition, the Board may from time to time, in its absolute discretion and without approval of the Shareholders amend any provision of the Omnibus Plan or any Award, subject to any regulatory or stock exchange requirement at the time of such amendment, including, without limitation: (a) any amendment to the general vesting provisions, if applicable, of the Omnibus Plan or the Awards; (b) any amendment regarding the effect of termination of a Participant's employment or engagement; (c) any amendment which accelerates the date on which any Option may be exercised under the Omnibus Plan; (d) any amendment necessary to comply with applicable law or the requirements of the stock exchange or any other regulatory body; (e) any amendment of a "housekeeping" nature, including to clarify the meaning of an existing provision of the Omnibus Plan, correct or supplement any provision of the Omnibus Plan that is inconsistent with any other provision of the Omnibus Plan, correct any grammatical or typographical errors or amend the definitions in the Omnibus Plan; (f) any amendment regarding the administration of the Omnibus Plan; (g) any amendment to add provisions permitting the grant of Awards settled otherwise than with common shares issued from treasury, a form of financial assistance or clawback, and any amendment to a provision permitting the grant of Awards settled otherwise than with common shares issued from treasury, a form of financial assistance or clawback which is adopted; and (h) any other amendment that does not require the approval of the Shareholders, as provided below.

Notwithstanding the foregoing: (a) no amendment shall alter or impair the rights of any Participant, without the consent of such Participant except as permitted by the provisions of the Omnibus Plan; and (b) the Board shall be required to obtain Shareholder approval to make the following amendments: (i) any increase to the maximum number of common shares issuable under the Omnibus Plan (either as a fixed number or a fixed percentage of the outstanding common shares), except in the event of an adjustment provided for in the Omnibus Plan; (ii) any amendment that extends the term of Options beyond the original expiry date that benefits an Insider of the Company; (iii) any amendment which extends the expiry date of any Award, or the Restricted Period, or the Performance Period of any Restricted Share Unit beyond the original expiry date or Restricted Period or Performance Period that benefits an Insider of the Company; (iv) except in the case of an adjustment provided for in the Omnibus Plan, any amendment which reduces the exercise price of an Option or any cancellation of an Option and replacement of such Option with an Option with a lower exercise price; (v) any amendment which increases the maximum number of common shares that may be (A) issuable to Insiders at any time; or (B) issued to Insiders under the Omnibus Plan and any other proposed or established Security Based Compensation Arrangement in a one-year period, except in case of an adjustment provided for in the Omnibus Plan; (vi) any amendment to the definition of an Eligible Participant under the Plan; and (vii) any amendment to the amendment provisions of the Omnibus Plan.

Clawback

Any Award or the proceeds from the exercise of an Award will be subject to deductions and clawback if the Participant to whom the Award was granted violates (a) a non-competition, non-solicitation, confidentiality, or other restrictive covenant by which such Participant is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Omnibus Plan.

Purpose

The overall purpose of the Audit Committee (the "**Committee**") of the Company is to ensure that the Company's management has designed and implemented an effective system of internal financial controls to review and report on the integrity of the financial statements and related financial disclosure of the Company and to review the Company's compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of financial information. It is the intention of the board of directors of the Company (the "**Board**") that through the involvement of the Committee, the external audit will be conducted independently of the Company's management to ensure that the independent auditors serve the interests of shareholders rather than the interests of management of the Company. 5. The quorum for meetings shall be a majority of the members of the Committee, present in person, by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.

SCHEDULE “B”
FORM 58-101F2
CORPORATE GOVERNANCE DISCLOSURE
(VENTURE ISSUERS)

The board of directors (the “**Board**”) of SuperQ Quantum Computing Inc. (the “**Corporation**”) believes that good corporate governance improves corporate performance and benefits all shareholders. Regulator authorities have implemented National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), which prescribes certain disclosure by the Corporation of its corporate governance practices.

The disclosure is presented below:

Item 1: Board of Directors

Supervision Over Management

There is no specific written mandate of the Board, other than the corporate standard of care set out in the governing corporate legislation of the Corporation, i.e., the Board has overall responsibility for the management, or supervision of the management, of the business and affairs of the Corporation. The Board’s primary tasks are to establish the policies, courses of action and goals of the Corporation and to monitor management’s strategies and performance for realizing them.

All major acquisitions, dispositions, and investments, as well as financing and significant matters outside the ordinary course of the Corporation’s business are subject to approval by the full Board. The Board of Directors does not currently have in place programs for succession planning and training of directors and management. As the growth of the Corporation continues, the Board will consider implementing such programs. In order to carry out the foregoing responsibilities the Board meets on a quarterly basis and as required by circumstances.

Composition of the Board

The Board is comprised of five directors, of whom Neil McCallum and Dr. Shahadat Hossain are considered independent for the purposes of NI 58-101. As a result of Dr. Muhammad Khan’s position as Chief Executive Officer, Krishna Ganesh’s position of Chief Operating Officer, and Manoj Joseph’s position of Chief Business Officer, none are considered independent for the purposes of NI 58-101.

Item 2: Directorships

The following current director of the Company is currently a director of the following other reporting issuers:

Name of Director	Name of Reporting Issuer
Neil McCallum	Q2 Metals Corp, (TSV.V) Standard Uranium Ltd. (TSX.V)

Item 3: Orientation and Continuing Education

The Board does not have a formal process for the orientation of new Board members. Orientation is done on an informal basis. New Board members are provided with such information as is considered necessary to ensure that they are familiar with the Company’s business and understand the responsibilities of the Board.

The Board does not have a formal program for the continuing education of its directors. The Company expects its directors to pursue such continuing education opportunities as may be required to ensure that they maintain the skill and knowledge necessary to fulfill their duties as members of the Board. Directors can consult with the Company's professional advisors regarding their duties and responsibilities, as well as recent developments relevant to the Company and the Board

Item 4: Ethical Business Conduct

The Board has not adopted a formal code of ethics. In the Board's view, the fiduciary duties placed on individual directors by corporate legislation and the common law, and the restrictions placed by corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Although the Company has not adopted a formal code of ethics, the Company promotes an ethical business culture. Directors and officers of the Company are encouraged to conduct themselves and the business of the Company with the utmost honesty and integrity. Directors are also encouraged to consult with the Company's professional advisors with respect to any issues related to ethical business conduct.

Item 5: Nomination of Directors

The identification of potential candidates for nomination as directors of the Company is primarily done by the CEO, but all directors are encouraged to participate in the identification and recruitment of new directors. Potential candidates are primarily identified through referrals by business contacts

Item 6: Compensation

The compensation of directors and the CEO is determined by the Board as a whole. Such compensation is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. See "Statement of Executive Compensation" for additional information

Item 7: Other Board Committees

The Company does not have any standing committees other than the Audit Committee.

Item 8: Assessments

The Board does not have any formal process for assessing the effectiveness of the Board, its committees, or individual directors. Such assessments are done on an informal basis by the CEO and the Board as a whole.

ARTICLE 2

PURPOSE AND ADMINISTRATION OF THE PLAN; GRANTING OF AWARDS

Section 2.1 Purpose of the Plan

The purpose of the Plan is to permit the Company to grant Awards to Eligible Participants, subject to certain conditions as hereinafter set forth, for the following purposes:

- (a) to increase the interest in the Company's welfare of those Eligible Participants, who share responsibility for the management, growth and protection of the business of the Company or a Subsidiary;
- (b) to provide an incentive to such Eligible Participants to continue their services for the Company or a Subsidiary and to encourage such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company or a Subsidiary are necessary or essential to its success, image, reputation or activities;
- (c) to reward Participants for their performance of services while working for the Company or a Subsidiary; and
- (d) to provide a means through which the Company or a Subsidiary may attract and retain able Persons to enter its employment or service.

Section 2.2 Implementation and Administration of the Plan

- (1) The Plan shall be administered and interpreted by the board of directors of the Company (the "**Board**") or, if the Board by resolution so decides, by a committee of the Board appointed by the Board. If such committee is appointed for this purpose, all references to the "Board" herein will be deemed references to such committee. Nothing contained herein shall prevent the Board from adopting other or additional Share Compensation Arrangements or other compensation arrangements, subject to any required approval.
- (2) Subject to Article 7 and any applicable rules of the Stock Exchange, the Board may, from time to time, as it may deem expedient, adopt, amend and rescind rules and regulations or vary the terms of this Plan and/or any Award hereunder for carrying out the provisions and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.
- (3) Subject to the provisions of this Plan, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operations of the Plan as it may deem necessary or advisable. The interpretation, administration, construction and application of the Plan and any provisions hereof made by the Board shall be final and binding on the Company, its Subsidiaries and all Eligible Participants.
- (4) No member of the Board shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award granted hereunder. Members of the Board and any person acting at the direction or on behalf of the Board, shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.
- (5) The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issuance of any Shares or any other securities in the capital of the Company. For greater clarity, the Company shall not by virtue of this Plan be in any way restricted from declaring and paying stock dividends, repurchasing Shares or varying or amending its share capital or corporate structure.

Section 2.3 Participation in this Plan

- (1) The Company makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting any Participant resulting from the grant of an Award, the exercise of an Option or transactions in the Shares or otherwise in respect of participation under the Plan. Neither the Company, nor any of its directors, officers, employees, shareholders or agents shall be liable for anything done or omitted to be done by such Person or any other Person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares hereunder, or in any other manner related to the Plan. For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Awards will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company and its Subsidiaries do not assume and shall not have responsibility for the income or other tax consequences resulting to any Participant and each Participant is advised to consult with such Participant's own tax advisors.
- (2) Participants (and their legal representatives) shall have no legal or equitable right, claim, or interest in any specific property or asset of the Company or any of its Subsidiaries. No asset of the Company or any of its Subsidiaries shall be held in any way as collateral security for the fulfillment of the obligations of the Company or any of its Subsidiaries under this Plan. Unless otherwise determined by the Board, this Plan shall be unfunded. To the extent any Participant or the Participant's estate holds any rights by virtue of a grant of Awards under this Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Company.
- (3) The Board may also require that any Eligible Participant in the Plan provide certain representations, warranties and certifications to the Company to satisfy the requirements of applicable laws, including, without limitation, exemptions from the registration requirements of the U.S. Securities Act, and applicable U.S. state securities laws.
- (4) In connection with an Award to be granted to any Eligible Participant, it shall be the responsibility of such person and the Company to confirm that such person is a *bona fide* Eligible Participant for the purposes of participation under the Plan.

Section 2.4 Shares Subject to the Plan

- (1) Subject to adjustment pursuant to Article 7, the securities that may be acquired by Participants under this Plan shall consist of authorized but unissued Shares from treasury.
- (2) The maximum number of Shares issuable at any time pursuant to outstanding Awards under this Plan and all other Security Based Compensation Arrangements shall be equal to 10% of the Outstanding Issue, as measured as at the date of any grant.
- (3) No Award that can be settled in Shares issued from treasury may be granted if such grant would have the effect of causing the total number of Shares subject to such Award to exceed the above-noted total numbers of Shares reserved for issuance pursuant to the settlement of Awards.

- (4) The Plan is an “evergreen” incentive plan, as Shares of the Company covered by Awards which have been exercised or settled, as applicable, and Awards which have expired or are forfeited, surrendered, cancelled or otherwise terminated or lapsed for any reason without having been exercised, will be available for subsequent grants under the Plan and the number of Awards that may be granted under the Plan increases if the total number of issued and outstanding Shares of the Company increases.

Section 2.5 Limits with Respect to other Share Compensation Arrangements, Insiders, Individual Limits, and Annual Grant Limits

- (1) The maximum number of Shares issuable pursuant to this Plan and any other Share Compensation Arrangement shall not exceed the limits set out in Section 2.4(2).
- (2) The maximum number of Shares issuable to Eligible Participants who are Insiders (as a group), at any time, under this Plan and any other Share Compensation Arrangement, shall not exceed 10% of the Outstanding Issue at any point in time.
- (3) The maximum number of Shares issuable to Eligible Participants who are Insiders (as a group), within any one year period, under this Plan and any other Share Compensation Arrangement, shall not exceed 10% of the Outstanding Issue at any point in time.
- (4) Subject to the policies of the Stock Exchange, any Shares issued or Award granted pursuant to the Plan, or securities issued under any other Share Compensation Arrangement prior to a Participant becoming an Insider, shall be included for the purposes of the limits set out in Section 2.5(2) and Section 2.5(3).
- (5) The maximum number of Shares issuable to any one Participant under Awards in a 12-month period shall not exceed 5% of the Outstanding Issue, unless requisite disinterested shareholder approval has been obtained to exceed this limit.
- (6) Options may be granted to persons undertaking Investor Relations Activities provided that the total number of listed securities issuable on exercise of Options provided as compensation to all persons providing Investor Relations Activities cannot exceed 2% of the outstanding number of listed securities in any 12-month period.

Section 2.6 Granting of Awards

Any Award granted under the Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares subject to such Award, if applicable, upon any Stock Exchange or under any law or regulation of any jurisdiction, or the consent or approval of any Stock Exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant of such Awards or exercise of any Option or the issuance or purchase of Shares thereunder, if applicable, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval.

Section 2.7 Relationship with the Prior Plans

The Plan supersedes and replaces the Prior Plans. All securities granted under the Prior Plans that remain outstanding as of the Effective Date shall continue to exist and shall be deemed to be Awards granted under and governed by the terms of this Plan, provided that from the Effective Date no new securities shall be granted under the Prior Plans.

ARTICLE 3 OPTIONS

Section 3.1 Nature of Options

An Option is an option granted by the Company to a Participant entitling such Participant to acquire a designated number of Shares from treasury at the Option Price, but subject to the provisions hereof.

Section 3.2 Option Awards

Subject to the provisions set forth in this Plan and any shareholder or regulatory approval which may be required, the Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive Options under the Plan, (ii) fix the number of Options, if any, to be granted to each Eligible Participant and the date or dates on which such Options shall be granted, (iii) determine the price per Share to be payable upon the exercise of each such Option (the “**Option Price**”) and the relevant vesting provisions (including Performance Criteria, if applicable) and the Option Term, the whole subject to the terms and conditions prescribed in this Plan or in any Option Agreement, and any applicable rules of the Stock Exchange.

Section 3.3 Option Price

The Option Price for Shares that are the subject of any Option shall be determined and approved by the Board when such Option is granted, but shall not be less than the greater of \$0.05 or the Market Price of such Shares at the time of the grant.

Section 3.4 Option Term

- (1) The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten years from the date the Option is granted (the “**Option Term**”).
- (2) Should the expiration date for an Option fall within a Black-Out Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of the Black-Out Period, such tenth Business Day to be considered the expiration date for such Option for all purposes under the Plan.

Section 3.5 Exercise of Options

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such

Performance Criteria and/or other vesting conditions as the Board at the time of granting the particular Option, may determine in its sole discretion. For greater certainty, any exercise of Options by a Participant shall be made in accordance with any insider trading policies implemented by the Company.

Section 3.6 Method of Exercise and Payment of Purchase Price

- (1) Subject to the provisions of the Plan, an Option granted under the Plan shall be exercisable (from time to time as provided in Section 3.6) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering a fully completed Exercise Notice to the Company at its registered office to the attention of the Corporate Secretary of the Company (or the individual that the Corporate Secretary of the Company may from time to time designate) or give notice in such other manner as the Company may from time to time designate, which notice shall specify the number of Shares in respect of which the Option is being exercised and shall be accompanied by full payment, by cash, certified cheque, bank draft or any other form of payment deemed acceptable by the Board of the purchase price for the number of Shares specified therein and, if required by Section 8.2, the amount necessary to satisfy any taxes.
- (2) Upon the exercise, the Company shall, as soon as practicable after such exercise but no later than ten Business Days following such exercise, forthwith cause the transfer agent and registrar of the Shares either to:
 - (a) deliver to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice; or
 - (b) in the case of Shares issued in uncertificated form, cause the issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (3) The Company makes no representation or warranty regarding the tax status of any Options granted under the Plan. This includes, but is not limited to, any representation as to whether such Options will ultimately qualify for the 50% stock option deduction under the Tax Act. The Company expressly reserves the right, and may be required by law, to designate any Options, in whole or in part, as "Non-Qualified Securities" in accordance with the provisions of the Tax Act and the rules pertaining to the \$200,000 annual vesting limit.
- (4) The Company shall provide any notifications to a Participant (and file any corresponding notifications with the Canada Revenue Agency) as may be required under the Tax Act regarding the status of any securities granted or issued hereunder, including, without limitation, any notification related to the designation of Options as "Non-Qualified Securities" in accordance with Section 3.6(3).

Section 3.7 Option Agreements

Options shall be evidenced by an Option Agreement, in such form not inconsistent with the Plan as the Board may from time to time determine. The Option Agreement may contain any such terms that the Company considers necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

ARTICLE 4 RESTRICTED SHARE UNITS

Section 4.1 Nature of RSUs

A "Restricted Share Unit" (or "**RSU**") is an Award in the nature of a bonus for services rendered that, upon settlement, entitles the recipient Participant to acquire Shares as determined by the Board, pursuant and subject to such restrictions and conditions as the Board may determine at the time of grant, unless such RSU expires prior to being settled. Vesting conditions may, without limitation, be based on continuing employment (or other service relationship) and/or achievement of Performance Criteria. Unless otherwise determined by the Board in its discretion, the Award of an RSU is considered a bonus for services rendered in the calendar year in which the Award is made or as an incentive for future services rendered to the Company or its Subsidiaries.

Section 4.2 RSU Awards

- (1) The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive RSUs under the Plan, (ii) fix the number of RSUs, if any, to be granted to each Eligible Participant and the date or dates on which such RSUs shall be granted, (iii) determine the relevant conditions and vesting provisions (including the applicable Performance Period and Performance Criteria, if any) and the Restricted Period of such RSUs, (provided, however, that no such Restricted Period shall exceed the three years referenced in Section 4.3), and (iv) any other terms and conditions applicable to the granted RSUs, which need not be identical and which, without limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any RSU Agreement.
- (2) Subject to the vesting and other conditions and provisions in this Plan and in the RSU Agreement, each vested RSU awarded to a Participant shall entitle the Participant to receive one Share upon confirmation by the Board that the vesting conditions (including the Performance Criteria, if any) have been met and no later than the last day of the Restricted Period. For greater certainty, RSUs that are subject to Performance Criteria may not become fully vested by the last day of the Restricted Period.
- (3) RSUs may not be granted to persons conducting Investor Relations Activities.

Section 4.3 Restricted Period

The applicable restricted period in respect of a particular RSU shall be determined by the Board but in all cases shall end no later than the 31st of December of the third calendar year following

the calendar year in which the performance of services for which such RSU is granted, occurred (the “**Restricted Period**”). All unvested RSUs shall be cancelled on the RSU Vesting Determination Date (as such term is defined in Section 4.4) and, in any event: all unvested RSUs shall be cancelled no later than the last day of the Restricted Period.

Section 4.4 RSU Vesting Determination Date

The vesting determination date means the date on which the Board determines if the Performance Criteria and/or other vesting conditions with respect to an RSU have been met (the “**RSU Vesting Determination Date**”), and as a result, establishes the number of RSUs that become vested, if any. For greater certainty, the RSU Vesting Determination Date must fall after the end of the Performance Period, if any, but no later than the 15th of December of the calendar year which commences three years after the calendar year in which the performance of services for which such RSU is granted, occurred. Notwithstanding the foregoing, for any U.S. Participant, the RSU Vesting Determination Date shall occur no later than the 15th of March of the calendar year following the end of the Performance Period.

Section 4.5 Settlement of RSUs

- (1) Except as otherwise provided in the RSU Agreement, all of the vested RSUs covered by a particular grant shall be settled as soon as practicable and in any event within ten Business Days following their RSU Vesting Determination Date and no later than the end of the Restricted Period (the “**RSU Settlement Date**”).
- (2) Settlement of RSUs shall take place promptly following the RSU Settlement Date and no later than the end of the Restricted Period. Settlement of RSUs shall be subject to Section 8.2 and shall take place through:
 - (a) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
 - (b) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive, to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (3) Notwithstanding the foregoing, for any U.S. Participant, the RSU Settlement Date and delivery of Shares, shall each occur no later than the 15th of March of the calendar year following the end of the Performance Period.

Section 4.6 Determination of Amounts

For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of RSUs pursuant to Section 4.5, such calculation will be made on the RSU Settlement Date based on the whole number of Shares equal to the whole number of vested RSUs then recorded in the Participant's Account to settle in Shares.

Section 4.7 RSU Agreements

RSUs shall be evidenced by an RSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The RSU Agreement may contain any such terms that the Company considers necessary in order that the RSU will comply with any provisions respecting restricted share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

ARTICLE 5 DEFERRED SHARE UNITS

Section 5.1 Nature of DSUs

A “Deferred Share Unit” (or “**DSU**”) is an Award attributable to a Participant’s duties as a director of the Company and that, upon settlement, entitles the recipient Participant to receive such number of Shares (which may include Shares purchased in the secondary market by a trustee or administrative agent appointed by the Board) as determined by the Board, and is issuable after Termination of Service of the Participant.

Section 5.2 DSU Awards

The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive DSU Awards under the Plan, (ii) fix the number of DSU Awards to be granted to each Eligible Participant, and (iii) fix the date or dates on which such DSU Awards shall be granted, subject to the terms and conditions prescribed in this Plan and in any DSU Agreement. Each DSU awarded shall entitle the Participant to one Share.

Section 5.3 Additional Deferred Share Units

The Board may award such number of DSUs to a Participant as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services they render to the Company or its Subsidiaries. The Board shall determine the date on which such DSUs may be granted and the date as of which such DSUs shall be credited to a Participant’s Account. An award of DSUs pursuant to this Section 5.3 shall be subject to a DSU Agreement evidencing the Award and the terms applicable thereto.

Section 5.4 Settlement of DSUs

- (1) A Participant may receive their Shares to which such Participant is entitled upon Termination of Service, by filing a redemption notice on or before the 15th day of December of the first calendar year commencing after the date of the Participant’s Termination of Service. Notwithstanding the foregoing, if any Participant does not file such notice on or before that 15th day of December, the Participant will be deemed to have filed the redemption notice on the 15th day of December (the date of the filing or deemed filing of the redemption notice, the “**Filing Date**”). In all cases for each U.S. Participant, the U.S. Participant will be deemed to have filed the redemption notice on the date of their Termination of Service.

- (2) The Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and in any event no later than the end of the first calendar year commencing after the Participant's Termination of Service. In all cases for each U.S. Participant, the Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and in any event no later than the 1st day of March of the calendar year following Termination of Service.
- (3) In the event of the death of a Participant, the Company will, subject to Section 8.2, make payment of the DSU Settlement Amount within two months of the Participant's death to or for the benefit of the legal representative of the deceased Participant. For the purposes of the calculation of the Settlement Amount, the Filing Date shall be the date of the Participant's death.
- (4) Subject to the terms of the DSU Agreement, including the satisfaction or, at the discretion of the Board, waiver of any vesting conditions, settlement of DSUs shall take place promptly following the Filing Date. Settlement of DSUs shall be subject to Section 8.2 and shall take place through:
 - (a) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
 - (b) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive, to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.

Section 5.5 Determination of DSU Settlement Amount

For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of DSUs pursuant to Section 5.4, such calculation will be made on the Filing Date based on the whole number of Shares equal to the whole number of vested DSUs then recorded in the Participant's Account to settle in Shares.

Section 5.6 DSU Agreements

DSUs shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The DSU Agreement may contain any such terms that the Company considers necessary in order that the DSU will comply with any provisions respecting deferred share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

ARTICLE 6 GENERAL CONDITIONS

Section 6.1 General Conditions Applicable to Awards

Each Award, as applicable, shall be subject to the following conditions:

- (1) Vesting Period. Each Award granted hereunder shall vest in accordance with the terms of the Grant Agreement entered into in respect of such Award. The Board has the right to accelerate the date upon which any Award becomes exercisable notwithstanding the vesting schedule set forth for such Award, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration.
- (2) Employment. Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the Company or any of its Affiliates in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.
- (3) Grant of Awards. Eligibility to participate in this Plan does not confer upon any Eligible Participant any right to be granted Awards pursuant to this Plan. Granting Awards to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Awards at any time. The extent to which any Eligible Participant is entitled to be granted Awards pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Company or any Subsidiary.
- (4) Rights as a Shareholder. Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Subject to **Error! Reference source not found.** and **Error! Reference source not found.**, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.
- (5) Conformity to Plan. In the event that an Award is granted, or a Grant Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.

- (6) Non-Transferrable Awards. Except as specifically provided in a Grant Agreement approved by the Board, each Award granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. No Award granted hereunder shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.
- (7) Participant's Entitlement. Except as otherwise provided in this Plan or unless the Board permits otherwise, upon any Subsidiary of the Company ceasing to be a Subsidiary of the Company, Awards previously granted under this Plan that, at the time of such change, are held by a Person who is a director, executive officer, employee or Consultant of such Subsidiary of the Company and not of the Company itself, whether or not then exercisable, shall automatically terminate on the date of such change.

Section 6.2 General Conditions Applicable to Options

Each Option shall be subject to the following conditions:

- (1) Termination for Cause. Upon a Participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the determination by the Company that the Participant was discharged for Cause shall be binding on the Participant. "**Cause**" shall include, among other things, gross misconduct, theft, fraud, violence, breach of confidentiality or a serious breach of the Company's codes of conduct in place from time-to-time, and includes the definition of "Cause" or "Just Cause" in any applicable Participant employment agreement.
- (2) Termination not for Cause. Upon a Participant ceasing to be an Eligible Participant as a result of such Participant's employment or service relationship with the Company or a Subsidiary being terminated without Cause, (i) each unvested Option granted to such Participant shall, subject to the Board's discretion to accelerate specific grants in valid circumstances, terminate and become void, and (ii) any vested Option granted to such Participant may be exercised by such Participant. Unless otherwise determined by the Board, in its sole discretion, such Option shall only be exercisable within the earlier of 90 days after the Termination Date, or the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (3) Resignation. Upon a Participant ceasing to be an Eligible Participant as a result of such Participant's resignation from the Company or a Subsidiary, (i) each unvested Option granted to such Participant shall, subject to the Board's discretion to accelerate specific grants in valid circumstances, terminate and become void immediately upon resignation, and (ii) unless otherwise determined by the Board, in its sole discretion, each vested Option granted to such Participant will cease to be exercisable on the earlier of the 30 days following the Termination Date and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (4) Retirement or Permanent Disability. Upon a Participant ceasing to be an Eligible Participant by reason of retirement (in accordance with any retirement policy implemented by the Company from time to time) or permanent disability, (i) a pro rata portion of any unvested Option shall vest immediately, calculated by multiplying the total

number of Shares subject to the Option by a fraction, the numerator of which is the number of days of service completed by the Participant from the date of grant to the Termination Date and the denominator of which is the total number of days in the applicable vesting period, less the number of Options that have previously vested, and (ii) any vested Option will cease to be exercisable on the earlier of the 180 days from the date of retirement or the date on which the Participant ceases such Participant's employment or service relationship with the Company or any Subsidiary by reason of permanent disability, and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.

- (5) Death. Upon a Participant ceasing to be an Eligible Participant by reason of death, all unvested options shall immediately vest and all vested Option granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Options (the "**Vested Awards**") on the date of such Participant's death. Such Vested Awards shall only be exercisable within 12 months after the Participant's death or prior to the expiration of the original term of the Options whichever occurs earlier.

Section 6.3 General Conditions Applicable to RSUs

Each RSU shall be subject to the following conditions:

- (1) Termination for Cause and Resignation. Upon a Participant ceasing to be an Eligible Participant for Cause or as a result of such Participant's resignation from the Company or a Subsidiary, the Participant's participation in the Plan shall be terminated immediately, all RSUs credited to such Participant's Account that have not vested shall be forfeited and cancelled, and the Participant's rights to Shares that relate to such Participant's unvested RSUs shall be forfeited and cancelled on the Termination Date. The Participant shall not receive any payment in lieu of cancelled RSUs that have not vested.
- (2) Retirement, Termination or Disability. Upon a Participant ceasing to be an Eligible Participant as a result of (i) retirement, (ii) Termination for reasons other than for Cause, (iii) such Participant's employment or service relationship with the Company or a Subsidiary being terminated by reason of injury or disability, or (iv) becoming eligible to receive long-term disability benefits, a pro rata portion of any unvested RSUs in the Participants Account shall vest immediately, calculated by multiplying the total number of Shares subject to the RSU by a fraction, the numerator of which is the number of days of service completed by the Participant from the date of grant to the Termination Date and the denominator of which is the total number of days in the applicable vesting period, less the number of RSUs that have previously vested.
- (3) Death. Upon a Participant ceasing to be an Eligible Participant by reason of death, all unvested RSUs in the Participant's Account as of such date relating to a Restricted Period in progress shall immediately vest.
- (4) General. For greater certainty, where a Participant's employment or service relationship with the Company or a Subsidiary is terminated pursuant to Section 6.3(1), Section 6.3(2) or Section 6.3(3) following the satisfaction of all vesting conditions in respect of

particular RSUs but before receipt of the corresponding distribution in respect of such RSUs, the Participant shall remain entitled to such distribution.

ARTICLE 7 ADJUSTMENTS AND AMENDMENTS

Section 7.1 Adjustment to Shares

In the event of (i) any subdivision of the Shares into a greater number of Shares, (ii) any consolidation of Shares into a lesser number of Shares, (iii) any reclassification, reorganization or other change affecting the Shares, (iv) any merger, amalgamation or consolidation of the Company with or into another corporation, or (iv) any distribution to all holders of Shares or other securities in the capital of the Company, of cash, evidences of indebtedness or other assets of the Company (excluding an ordinary course dividend in cash or Shares, but including for greater certainty shares or equity interests in a Subsidiary or business unit of the Company or one of its Subsidiaries or cash proceeds of the disposition of such a Subsidiary or business unit) or any transaction or change having a similar effect, then the Board shall in its sole discretion, subject to the required approval of any Stock Exchange, determine the appropriate adjustments or substitutions to be made in such circumstances in order to maintain the economic rights of the Participant in respect of such Award in connection with such occurrence or change, including, without limitation:

- (a) adjustments to the exercise price of such Award without any change in the total price applicable to the unexercised portion of the Award;

- (2) If the Company completes a transaction constituting a Change of Control and within 12 months following the Change of Control, (i) a Participant who was also an officer or employee of, or Consultant to, the Company prior to the Change of Control has their position, employment or Consulting Agreement terminated, or the Participant is constructively dismissed, or (ii) a director ceases to act in such capacity, then all unvested RSUs shall immediately vest and shall be paid out, and all unvested Options shall vest and become exercisable. - (4) Notwithstanding any other provision of this Plan, for all U.S. Participants, “Change of Control” as defined herein shall be as “Change in Control” is defined in 409A of the U.S. Tax Code.

Section 7.3 Amendment or Discontinuance of the Plan

- (1) The Board may suspend or terminate the Plan at any time. Notwithstanding the foregoing, any suspension or termination of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision with respect to any DSUs held by a Participant.
- (2) The Board may from time to time, in its absolute discretion and without approval of the shareholders of the Company amend any provision of this Plan or any Award, subject to any regulatory or Stock Exchange requirement at the time of such amendment, including, without limitation:

 - (f) any amendment regarding the administration of the Plan;
 - (g) any amendment to add provisions permitting the grant of Awards settled otherwise than with Shares issued from treasury, a form of financial assistance or claw back, and any amendment to a provision permitting the grant of Awards settled otherwise than with Shares issued from treasury, a form of financial assistance or claw back which is adopted; and
 - (h) any other amendment that does not require the approval of the shareholders of the Company under Section 7.3(3)(b).
- (3) Notwithstanding Section 7.3(2):
 - (a) no such amendment shall alter or impair the rights of any Participant without the consent of such Participant except as permitted by the provisions of the Plan;

- (b) the Board shall be required to obtain shareholder approval to make the following amendments:
 - (i) any increase to the maximum number of Shares issuable under the Plan (either as a fixed number or fixed percentage of the Outstanding Issue), except in the event of an adjustment pursuant to Article 7;

ARTICLE 8 MISCELLANEOUS

Section 8.1 Use of an Administrative Agent and Trustee

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent or trustee to administer the Awards granted under the Plan, including for the purposes of making secondary market purchases of Shares for delivery on settlement of an Award, if applicable, and to act as trustee to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

Section 8.2 Tax Withholding

Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Company determines, including by (a) requiring the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 8.1, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, or (b) any other mechanism as may be required or determined by the Company as appropriate.

Section 8.3 US Tax Compliance

- (1) DSU Awards granted to U.S. Participants are intended to be comply with, and Option and RSU Awards granted to U.S. Participants are intended to be exempt from, all aspects of Section 409A of the U.S. Tax Code and related regulations ("**Section 409A**"). Notwithstanding any provision to the contrary, all taxes associated with participation in the Plan, including any liability imposed by Section 409A, shall be borne by the U.S. Participant.
- (2) For purposes of interpreting and applying the provisions of any DSU or other Award to subject to Section 409A, the term "termination of employment" or similar phrase will be interpreted to mean a "separation from service," as defined under Section 409A, provided, however, that with respect to an Award subject to the Tax Act, if the Tax Act requires a complete termination of the employment relationship to receive the intended tax treatment, then "termination of employment" will be interpreted to only include a complete termination of the employment relationship.
- (3) If payment under any DSU or other Award subject to Section 409A is in connection with the U.S. Participant's separation from service, and at the time of the separation from service the Participant is subject to the U.S. Tax Code and is considered a "specified employee" (within the meaning of Section 409A), then any payment that would otherwise be payable during the six-month period following the separation from service will be delayed until after the expiration of the six-month period, to the extent necessary to avoid taxes and penalties under Section 409A, provided that any amounts that would have been paid during the six-month period may be paid in a single lump sum on the first day of the seventh month following the separation from service.

Section 8.4 Claw back

Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or Stock Exchange listing requirement, will be subject to such deductions and claw back as may be required to be made pursuant to such law, government regulation or Stock Exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or Stock Exchange listing requirement). Without limiting the generality of the foregoing, the Board may provide in any case that outstanding Awards (whether or not vested or exercisable) and the proceeds from the exercise

or disposition of Awards or Shares acquired under Awards will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which such Participant is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Plan. In addition, the Board may require forfeiture and disgorgement to the Company of outstanding Awards and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards, with interest and other related earnings, to the extent required by law or applicable Stock Exchange listing standards, including and any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees to cooperate fully with the Board, and to cause any and all permitted transferees of the Participant to cooperate fully with the Board, to effectuate any forfeiture or disgorgement required hereunder. Neither the Board nor the Company nor any other person, other than the Participant and such Participant's permitted transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or such Participant's permitted transferees, if any, that may arise in connection with this Section 8.4.

Section 8.5 Securities Law Compliance

- (3) No Awards shall be granted, and no Shares shall be issued, sold or delivered hereunder, where such grant, issue, sale or delivery would require registration of the Plan or of the Shares under the securities laws of any jurisdiction or the filing of any prospectus for the qualification of same thereunder, and any purported grant of any Award or purported issue or sale of Shares hereunder in violation of this provision shall be void.
- (4) The Company shall have no obligation to issue any Shares pursuant to this Plan unless upon official notice of issuance such Shares shall have been duly listed with a Stock Exchange. Shares issued, sold or delivered to Participants under the Plan may be subject to limitations on sale or resale under applicable securities laws.
- (5) If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Company to issue such Shares shall terminate and any funds paid to the Company in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.

Section 8.6 Reorganization of the Company

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

Section 8.7 Quotation of Shares

So long as the Shares are listed on one or more Stock Exchanges, the Company must apply to such Stock Exchange or Stock Exchanges for the listing or quotation, as applicable, of the Shares underlying the Awards granted under the Plan, however, the Company cannot guarantee that such Shares will be listed or quoted on any Stock Exchange.

Section 8.8 No Fractional Shares

No fractional Shares shall be issued upon the exercise or vesting of any Award granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise or settlement of such Award, or from an adjustment permitted by the terms of this Plan, such Participant shall only have the right to purchase or receive, as the case may be, the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.
